

NORTH CAROLINA PARTNERSHIP FOR CHILDREN
Smart Start Format for Activities

Partnership Name: Onslow County Partnership for Children Submission Date: 3.18.10

Activity Title: More at Four Coordination

More at Four Coordination will employ a full-time More at Four Coordinator. Staff will provide administrative and programmatic support to enable the efficient and effective implementation of the More at Four pre-kindergarten programs within child care facilities by serving More at Four teaching staff, directors of More at Four sites, and families interested in More at Four services. More at Four Coordination will work to recruit and maintain More at Four Sites in child care through the coordination of technical assistance and services to More at Four sites as needed. Application, eligibility screening, prioritization and enrollment processes of children will be facilitated in collaboration with the Onslow County Schools. Other functions will include More at Four inventory tracking and control, required screenings for children, data entry into state More at Four databases, monitoring sites for compliance with More at Four Guidelines and Requirements, and coordinating ordering and receiving functions for needed inventory. Families will be served through enrollment processes and notification of eligibility.
