**Smart Start Format for Activities**

**Partnership Name:** Onslow County Partnership for Children

**Submission Date:** 3-18-10

**Activity Title:** Reaching Our Communities (ROC)

**Contract Activity Description (CAD), Reaching Our Communities**

One professional level social work staff will be employed for Reaching Our Communities (ROC). This activity will assess needs and facilitate desired outcomes of underserved low-income kinship systems in Onslow County, with emphasis on rural mobile home parks and public housing. Onslow County's growing Hispanic population will also be a major focus of this activity. The goal of the activity is to facilitate services to outlying communities and provide information about upcoming events, such as Kindergarten and More at Four registration.

Populations will be served at client accessible locations, such as on site management offices, area town halls, Partnership Resource Centers, and other community hubs.

This activity will generally be available Monday through Friday from 8:00AM until 5:00PM.
