

November 2011

Issue 11

Books for Kids!

- ☆ The 10th annual Books for Kids book drive is scheduled for November 14-18, 2011. In 10 years, the Partnership for Children has collected and redistributed over 90,000 books to local children. Your child care program can be a collection site for new and gently used books. If children in your facility would benefit from having books they can take home as their own, you can also sign up to be a recipient site for collected books on our website,

www.onslowkids.org.

Resources for Military Families

We all know that the military is a big factor in our community and that many of the children we serve are military dependents. But did you know that 60% of all infants in our county are military dependents? And about 55% of all preschool age children are military dependents. With so many families affected by ongoing and repeat deployments, it may be helpful to know that there are lots of resources available for military families. Check out these websites for more information:

www.naccrra.org

For information on child care assistance programs specific for military families.
